

Maine Association of School Psychologists

Developing and Implementing Multi- Tiered Systems of Support for Behavior (MTSS-B)

Presented By:
Andria Amador, CAGS, NCSP

Monday, October 29, 2018
8:30am to 4:00pm

Harraseeket Inn
Freeport, Maine

Presenter:

Andria Amador, CAGS, NCSP, is the Senior Director of Behavioral Health Services for the Boston Public Schools (BPS). Andria has dedicated her career to urban school psychology and began her career as a school psychologist before becoming an administrator. Andria, along with her staff and partners, have developed the Comprehensive Behavioral Health Model (CBHM). CBHM is a multi-tiered system of supports designed to support the behavioral health needs of students across a continuum of prevention, early-intervention and intensive services. Implementation of CBHM requires BPS school psychologists to expand their scope of service delivery to include all NASP Domains of Practice. Andria has the pleasure of serving as the NASP Delegate for the Massachusetts School Psychology Association. She is also the coordinator of the NASP Supervision Interest Group and the chair of the NASP Practice Model Committee.
